I'm sure you might think that p=otography is not a real job but it can turn into one if I do it well. At t=e beginning I will earn no money with it since I have to learn and I will =robably need to work in a shop or something to earn some money. My questio= is how do I learn by assisting a photographer if I work in a shop all day=?? How can I earn money to pay my rent and living and in the same time lea=n a new skill in order to grow in that specific field ? I'm not sure h=w I should manage this...

Ps: I am meeting with Jean Baptiste Huynh=the photographer on Friday (we went at his studio together once). I thin= he is the perfect base to start with if I want to learn about photography=specially for the use of light. He is excellent in this and I could learn = lot from him. I love his work
