Ps: I am meeting with Jean Baptiste Huynh the photogr=pher on Friday (we went at his studio together once). I think he is the =erfect base to start with if I want to learn about photography specially f=r the use of light. He is excellent in this and I could learn a lot from h=m. I love his work

I am trying=to do things differently in order to grow, build my identity and stand up =n my own two feet as I said... You are the one person that has always been=there for me and the only one I could really rely on. I just didn't ex=ect you would let me go like this after everything... I would like to do s=mething for you to show you my gratitude. I know I've lost a lot of ti=e, patience of yours, credibility and made many mistakes by repeating

the same wrong path over and over- I apologize for this. I will never be thankful enough. Thanks to you I've learned so many things that without your support I would have probably never known. You taught me so much about life and myself that I can only be thankful with you. I want to make you happy and I'm sorry I've disappointed you. It's by falling that one learns to walk and thanks to all of these mistakes that I have done over and over I've finally cleared up my mind and understood what are my real goals (for real)

These are my goals:

1. Photography: Learning photography because it's my real passion (after Jeffrey and I have an eye for it. Starting by becoming a photographer's assistant in order to master a camera, the light and learn all the basics.

=div class="gmail_msg">2. Next: being represented by Next as an influence not just because of my name but as a professional photographer and promote my work or fashion brands.

3. Acting classes (if possible)

4. Train regularly and keep a healthy lifestyle

<=div>

I will work hard in order to achieve these goals.

I love you so much Jeffrey, I just want to make you happy and if there is anything I can give you or do for you please let me know. I mean it.
