Subject: weird dream

Warren Eisenstein was acting like the Situation, a character from the Jersey Shore Reality TV show whose outstanding characteristic is his 6-pack abs. We were sitting around playing backgammon in your house in Seagate. Warren had his shirt opened to his waist and a really bad spray tan, and when it was his turn, he exaggerated his movements to show off his muscles?????????I don't think it's worth trying to figure out, I just woke up wondering where the hell that dream came from. I can't play backgammon.

Have a happy,
