Wednesday, February 18th, 6:30 – 8 PM > The Gallery

Join us as we celebrate the relaunch of East Village Ra=io, the online radio station that recently shuttered after 11 years of=broadcasting from their sidewalk studio in the East Village. The overhead=of running such a business ultimately led to the station's demise=2C when the two founders realized that when it comes to licensing fees an= rents, "there's no Brooklyn for radio." Until=2C of course, they found a Brooklyn home in which they could start over=2E Original founder Peter Ferraro will speak about why East Village Ra=io couldn't be over yet and what this relaunch means in relation to=the future of radio. Dapwell, the host of the radio + video show Ch=llin Island and a former member of rap group Das Racist will join Pe=er, in a conversation moderated by WIRED editor at large, Ja=on Tanz.
