Rich,

My understanding is that you create a password once you put your email address in. If you have any further issues please coordinate with Jayne Mahoney, my paralegal and she will be happy to help you. She can also fax you the materials. They are very concise.

Best,
Deborah

Dear Noam,

I am forwarding you the encrypted email that Max sent to me that contains the trust accounts. I have not seen the accounts yet as I have asked my secretary to access them and print them for me. Please let me know if you have any difficulty accessing the encrypted materials. I would be happy to FedEx to you paper copies of the accounts as well.

Rich and I have had a couple of good discussions today surrounding the trusts and your rollover IRA and the associated financial concerns, and we are going to speak again on Monday. You have asked me to prepare a letter for your children regarding replacing the trustees, and I would like to wait to prepare that letter until after Rich and I have been able to speak and formulate a game plan and report back to you and get your approval. Rich and I are scheduled to speak again on Monday at 1:00 p.m. Is this all right with you?

On a final note, Rich tells me that you have moved to Arizona. Congratulations! Have you purchased a home? Please let me know your new address so that I can update my files and notify my firm's accounting department.

I look forward to hearing from you.

Best,
Deborah
