**Subject:** Frog in toilet

Just a heads up, one of my well earned shits was interrupted when a tree fro= made it's way out of the toilet bowl, jumping into my ass cheek as to disp=ay it's displeasure with my very needed natural event... Yes, I was startle=. In an instant I recalled my shit had never once lunged out at me in a way=to disagree with the fairly tedious length of time I sat on one piece of re=l-estate. A splash would be normal, but this didn't follow anything I produ=ed. A shriek and a quick rise to vertical lead to the discovery of a surpri=ingly large tree frog now taking refuge under what is NOT a lily-pad. I'm s=rry little tree frog. I am soooo sorry...

Getting to the point:

The heads up is that I didn't have the heart to flush the frog, and that the=frog and "lily-pad" remain intact... Beware. Xoxo.
