Hi Jeffrey,

Yes my colleague Max Bernheimer, Head of Antiquities can come over to take a look next week. He's in Italy this week but returning Friday so slim chance I could get him to see you then. We got some iPhone images but he does need to see in person + he definitely needs provenance for each work. Perhaps we can coordinate his visit for when you are there and he can talk to you about them directly. What is your schedule like next week?

I found a large plaster but it's a Male figure, not female. If it is a totally remarkable male figure would you consider?

Best,

[REDACTED]

I dont need a detailed valuation, and rich has asked for provenance. would photos go a long way toward valuations or if someone from your office had a few moments to view. ok with me. not urgent rich said you found another large sculpture
