Subject: In New York Nov 10-15

Hi Jeffrey,

I haven't heard from you and am not sure if you will be in Cuba or not. If you can't make it, I do feel bad and appreciate the sponsorship of the event. I was planning to organize a gathering for you in NYC around the 1-13, but hadn't heard back (Icari - see below). I am making myself available in NYC November 10-15 after Cuba and would love to see you and continue our discussion if you are around and available. Masha could make it out as well from what I hear. May also be able to get Joscha.

I am also planning a European tour in Jan. that will include dates in Paris (currently planning Jan 11-13 in Paris). Would love to do a salon for you there (like Icari).

The European tour will include:

5-7 London
8-10 Holland
11-13 Paris
15-19 Lisbon
21-22 DLD Munich
23-26 WEF Davos
27-28 Zurich

I will have an entourage of 8 others with different abilities.

Hope you are well!

gino
