Deborah just sent us the accounting. I guess yo= lit a fire.

Could you please find out from Deborah wh= is concerned about the increase in expenses. Since my children had =expressed concerns, I sent them an explanation in detail of the way money w=s being taken from the IRA -- half of the annual withdrawal requirement fo= distribution to family, taxes for the estate, management fees for the est=te, the Wellfleet house, all of this exceeding the required withdrawal bef=re we took a cent for ourselves, or started paying lawyers, etc. I c=uld explain it to Deborah and Max too if they are concerned. And I w=uld like to do so when I find out who is expressing these concerns, which = did hear and then explained, ending the discussion.
