Subject: Letter

The GM used the letter as a resignation letter: therefore F's contract is terminated now with no pay. \$150,000. F is furious with me, but it shows that they were ready to fire him for the other reasons. F does not believe at this point that resignation is better. He will be in bad shape without the money. Is there anyway I could borrow the year's pay so he won't lose his mortgage on his boat? I was only trying to save his reputation, knowing they wanted him out...
