Jeffrey

How are you when are u in paris? I want to See You, so much

What are your plans for [REDACTED]? Please be super gentle, she is so smart and her mum promotes me for [REDACTED], to get a job here in the future, maybe..!

She said the following abt meeting u;

I really enjoyed talking to Jeffrey actually – very smart person as you said. Met for a short chat at his place – didn't get to meet [REDACTED], there was Karina and [REDACTED]. I definitely was rather nervous & at the same time curious to meet him, so don't think I made the best possible first impression. Thank you as always.

Kind regards,
