Hello great man... How you doing in this world of turmoil? Economies going f=om worse to worse,currency like pancakes.

By the way I read in a news paper of an interesting accident which took pla=e in telaviv. Between two of our cousins in blood, two people carrying the=french nationality but originally are decedents from north Africa. Claud= isaac khayat and Eric Roubi accidentally crashed and killed miss Lee Zaito=ni 25 years old ,who died in hospital shortly after the accident The two t=en travelled immediately to France.

The victims family and friends formed a society named Lee Zaitouni to colle=t donations to assist in tracking and pressuring the accused in France.
Recently after family of the victim travelled to France and officially filed=a complaint. A Paris county court judge then pushed the case to Paris cour= being more knowladgeble in such cases. France refused to deport her two ci=izens because her constitution and legal system forbids extradition of her c=tizens to another country. Now Zaitouni lawyer is initiating a court case i= France against the accused ,accusing them of wrongful killing,running aw=y from the accident scene,and leaving without assisting the injured lady w=o latter died.

Quite interesting
