It's about 52 sq yds if you do the cockpit and aft baggage in the standard "Gulfstream Gray" carpet.

I have an interesting color scheme that is based on an overall gray theme that I want to show you tomorrow.

Best Regards,

Eric

Jeffrey,

Larry informed me that you anticipate arriving to my hangar around 9:45am with an 11:30am departure to Bedford.

Eileen and Adrienne went to the D&D bldg. yesterday specifically to bring back fabric samples for our meeting tomorrow.

I want to address the floorplan (leaving it "as is" and the idea of using the two (2) divans as your bed). I do not know how you envision the aircraft as you noted in prior conversations that you "always" keep the bed out.

How will you (or the girls) get to the aft cabin 2 single seats, galley, aft lavatory without climbing over the bed?

I hope that we can discuss or you can confirm the floor plan so that we can prepare a proposal for you (along with confirming a color scheme and selecting some materials).

Best Regards,

Eric
