Greetings Rich and John,

I spoke with Paul Kalloo kindly requesting he reach out to Director Oriol for permission to proceed with a site visit for next week. Mr. Kalloo said he intended to email the Director, and has already started his initial reviews.

Unfortunately Mr. Kalloo does not think a site visit next week is probable as there are already other projects in his queue that are time sensitive, and he still has to wait for confirmation from the Director that it would be allowed.

Kind regards, Daphne
