Subject: Re:

She also said that she had the tests results and that she had tested negative for everything and that the doctor said everything was ok, I told her the best thing would be to have a conversation with you and to have the test results too (she will have the papers on Monday). She said she was going to tell you even before talking to me (I told her that those things were very serious and that you wouldn't be happy about it). She is very embarrassed
