Dear Michael,

I hope this message finds you well. Know that we have been trying to reach Jeffrey via email, but he is not responding. Can you kindly advise his cell phone or another contact person for him and we can try that as well. And of course, if you think it would help if you called him to urge to respond, that would be marvelous.=C2=A7 Let us know. Many thanks for your help. We are excited about your piece.

Sincerely,  
Jody
