Sorry couldn't call you yesterday. Will catch up=today. Meanwhile, my people has a meeting yesterday with Gregory Pet=rson. They drafted a proposal for him which I append below. Sh=uld we forward this or request for a proposal from him? Will talk to=you this evening.

Dear Mr. Peters,

It was an absolute pleasure meeting with you today and again thank you for mak=ng the time.

I just w=nted to follow-up on out talks and the immediate future while everything is still fresh. </=pan>

I think it is clear that there are a few routes we could take, and even still= there is a huge opportunity for a 'pop up' style studio in the plaz=. In a sense, you would provide the location, and we, the equipment and brand. =AO

As well, on a a related, but different note, we can easily see a partnership f=r my30minutes take on a path of its own - to service home training - or possi=ly cooperate with your existing app.

We want to hear your thoughts as well, especially regarding how your app or possibly a dedicated app can be managed.
