Subject: Re:

Cool. I'm running into a dinner.= I do believe the idea of Boris separating/escrowing 10% of the Blue T=lon and DigiSight stock and allocating to David any potential upside on tha= chunk of stock makes sense. Boris can control if and when the stock i= sold and would have to do so ratably with his other 90%, which would presu=ably reside in his fund. That plus some cash should get us there. &nb=p;I'm not sure David will accept \$250K at this point, but I'll push and pus=. I do know that he only wants to see a written offer at this point, w=ich I was going to ask you for, but you're already ahead of me! :)

Hi Jeffrey,

So nice to meet you. =I wish it had happened under different circumstances. Of course, I wo=ld be pleased to speak with you. I don't know that it will ch=nge the dynamic, because there have been several mediators (including me), b=t no one has been able to crack the nut. It seems as though it'= been impossible to get to yes, for reasons I honestly don't unders=and. I am working from home and available to chat at your convenience= If you would like me to ask David Schwarz to join our call, I am hap=y to check his availability as well.

All the best,=div>

Peter
