Jeffrey,

I've been thinking of y=u and your quest for an experience that can lead to a mechanism. Qigong is='t surprising, given Shin Lin's frustrations with his research in =hat area. What other things have you tried to find it with? Any similar pr=jects? I assume probably the equally unimpressive parapsychology world, at=a minimum. Also, who were the 40 or so people you've tried so far? Bal=park is fine more than a list, though if you have kept a list that is okay=to. I'm just trying to get a sense of the dry holes dotting your lands=ape so far.

Much Love,
Jeffery
