Hello,

Thank you for your time yesterday. I contacted=the owner of Apollo Electric. He is just as upset about this as I am= George, the owner of Apollo electric, and I want you to know that w= will do everything requested of us. George and I have agreed that all of our employees will be made available should you =ish to interview them. I have never been in a situation quite like t=is and as such may not know the proper protocol. Please let me know =f there is anything I can do to assist.
