Dear Dick

- we agreed on a deal and the key facts have not changed since (contract size, revenue, collateral)
- I turned away other investors
- in all likelihood we will go bankrupt by end Feb due to cash needs caused by your action. 5 years of my sweat and tears, 62 employees and their families affected
- you have been misinformed by a person who knows nothing about the business (unlike you)
- If you knew the facts you would not make such a decision, you are a man of highest integrity as Jeffrey (and others like Bobby Kotick) tell me

David
