From my friend Ameerah his former wife and now my -

Hi my love
All is well with me and my family

It happened to my ex husband but it is an investigation not a sentence, if he is right he will walk away and if not there will be government consequences

In Saudi if you get divorced you get 0 of your husband's property or wealth unless you have children, I'm glad I started from scratch and built myself and thank God every penny I earned was done in the right way so I have nothing to worry about

As for him I wish him all the best

Regarding the other names we had many powerful individuals stealing our country's money and are very corrupt, this has drained us as a nation and I am glad the crown prince is investigating seriously and is not excluding anyone as this will send a strong message to all that corrupt days are over. I love you Ameerah
