Greetings, well there is nothing to strategize yet, because the General Director just said now, that he will meet with FC on Aug 23, so without that info, we can't make a move til then. I was trying to find out if FC's tenure was not going to be extending, I wanted FC to pre-empt that by first saying, before them, that he would not return in 2014...but now, we will just have to wait and see what the 23'd brings. So, we can phone talk then (unless I hear something valid sooner)...I hope you are having some good r and r there. Will you be in nyc in sept when I am there?

I'm in the lounge at Tosca. There have been some political developments that I am sorely in need of my old Epstein-smart advice.. I see and hear so much more than FC, but it affects me as well. If I could get away in the day, is there a possibility to see you alone to help me strategize before you leave? I'm thinking maybe I could just drive there or maybe Brice could pick me up and return me..do you have any free time, or could you meet me in town?
