Harry says to his brother, "I have to go to England for three weeks, so I have to leave my cat with you. Please take real good care of her."

His brother says, "Relax."

A few days after he gets to England, Harry calls his brother and say, "How's my cat?"

His brother says, "The cat's dead."

Harry says, "Geeeez. Why'd you have to be so blunt? Couldn't you have broken it to me a little more gently? Like, you could have told me the cat was on the roof, and you called the Fire Department, but just before they got to her, she slipped and fell to the ground, and you rushed her to the vet but there was nothing he could do to save her ..."

His brother says, "Whatever."

Harry says, "How's Ma?"

His brother says, "Umm ... Ma's on the roof ..."

The dentist says, "Can you take a pill?"

Kasten says, "Fine."

The dentist reaches into a drawer, takes out a pill and says, "Here's a Viagra."

Kasten says, "Wow. I didn't know Viagra worked as a pain killer."

The dentist says, "It doesn't. But it'll going to give you something to hold on to while I'm yanking out your tooth."

A guy's in a taxi on the way home from a business trip a day early.

It's after midnight and he says, "Cabbie, I think my wife's been cheating on me. If I give you a thousand bucks, will you be my witness?"

The cabbie says, "Sure, pal."

They get to the house, go in, the husband grabs his gun from the closet and he and the cabbie tip-toe upstairs. The husband pushes open the bedroom door, switches on the light, pulls the blanket off, and seeing his wife and a stranger lying there naked, he puts the gun to the naked guy's head.

He races to the hospital, runs down the hallway, and a doctor grabs him and says, "You piece of shit. You played golf while we worked on your poor wife? Well, she's a vegetable, and from now on you're going to have to feed her and change her diapers. It looks like your golf days are over."

Friedman's in a hotel in a deserted Alaskan town. He comes out of his room and sees another guy in a tuxedo.

He says, "What are you all dressed up for? There's nothing to do in this town."

The other guy says, "We all go to Joe at the end of the hall. If you're nice to his dog, you can fuck Joe in the nose."

Friedman says, "You sick bastard."

Friedman says, "I want to go with you to see Joe."

The other guy says, "Well, you have to dress up a bit, and be nice to Joe's dog."

Friedman puts on a coat and tie and they go to Joe's room. They walk in, they both pat the dog on the head, Joe smiles, and then they both fuck Joe in the nose.

When they're done, Joe says to Friedman, "Can I ask you two questions?"

Friedman says, "Okay."

Joe says, "Well, first off, did you enjoy it?"

Friedman says, "Umm ... well, it was different. But, you know what? Yeah, in it's own weird way, I guess it was pretty good."

Joe says, "And ... do you have any diseases?"

Friedman says, "Of course not."

Joe goes, "Snoorrrrtttt."

After they do that, the father says, "Now we'll eat everybody."

After they've eaten everybody, the son says, "Pop, why didn't we just eat them right away? What was with all that swimming around them nonsense?"

The father says, "Because they're much tastier when there's no shit inside."
