I spoke more with [REDACTED]..

I don't think it will work. First, they can't get off work because they already took their vacation when they thought they were going to Zorro. [REDACTED] could commute back and forth between Pennsylvania and NY everyday which is absurd; I told her she could stay in an apt for the few days in NY if they were able to come, and she said it wouldn't work because they have a 13 year old kid they have to look after.
