Dear Ann,

I hope all goes well. ;

We are preparing the Commercial Proposal and Project Team to send you shortly.

In the meantime, I would like you to validate the scope of the project with Jeffrey. Please find attached all rooms and areas that we are estimating for the Island.

Please kindly verify if there are additional spaces or areas that we should consider.

Also, I would like to confirm with you if you have the Surveyor on board.

Thank you and if you have any questions don't hesitate to contact me.

Best,

Tamy
