From Gary

We spoke with our point of contact this morning and he said he would extend t=e offer to the chairman but felt the Boeing was probably to old for them an= he was concerned about the bad press of operating a foreign registered air=raft as it could not be registered in India. He also told us that 11.5 is N=T the new ask price. That was extended to Larry Flynt as a formal counter t= his offer. I expect to hear a formal response tomorrow or Monday at the la=est
