Hello Richard and Merwin,

I trust that everything is on schedule for us to begin dismantling the system this coming Monday morning. Please advise us if there are any issues with us beginning then. Please note that lights will be out in most of the residence. We will have temporary lighting set up to allow us to work but certainly not enough to cover the entire home.

<=r>ON a similar note and am hopeful that Mr. Epstein was okay with our "work in progress" appearance and that our presence wasn't a great inconvenience.

Regards,

Al<=r>

I just spoke with Mr. Epstein and he said he will be returning Wednesday evening or Thursday am. He would like the 1st and 2nd floor protection to be removed as of now. The job will resume Monday August 24th. Sorry for any additional work and troubles this may cause.

regarding glass Mr. Epstein thinks we may have extra in the house - Merwin please speak with Jojo as he may know location of glass if we do have extra. Thank you.
