Greetings Sir,

The glue is scheduled to arrive tomorrow 10/23 on St. Thomas. Carl=s is coordinating the Nautica's return to St. Thomas and all of the bo=ts that need tube repairs will be pulled out on GSJ per Anna.

The properties I would normally use =or accommodations on St. Thomas are damaged and closed until further notic=.

May we put Mr. Sylvio=on GSJ? His scheduled time is Thursday 10/26 to Tuesday 10/31.
