Go=d Morning Ann
=br>

I have tri=d to give firm quotes on the areas of repair that are straight forward=and the projects that I could not give a firm price to will need a=little exploratory work before a firm quote is given.

LSJ/Big N is in need of a major overhaul; not t=e type of repairs that have been performed over the last three years. There=are many unknowns, so to negotiate now would not be fair to either of us.&n=sp;

We pride ourselves on our quality and fairness of wor=. We employ 31 people and provide health care to all who want it. Many of o=r employees have been with the company well over 10 years.

Subbase Drydock takes pride in every=walk-in or extended project - from hauling vessels like "Sea Hawk" (21=") a Perini Navi yacht or a vessel of 50'.

We look forward to working with you.

<=r>Hey Gene,

Can we negotiate a fixed bid on everything?

Then=nbsp; I can give you a Full 50% Deposit when we bring Big N down and then t=e final payment after all is completed. What are your thoughts?
