Appears Husham doesn't want to respond to our email, he wants to speak in the phone,.
How should I respond?

Jet aviation has done many, not sure why it is an issues? it is the swap engine that I thought might also be available, as we would need to rethink its swap if it didn't pass the boroscope and the higher time engine did.

I can confirm a thorough and transparent inspection with fully qualified teams. Also BBJ experience since they did A and C checks on our feet before. FAA certification is also no issues
