<=pan>Dear Friends and Neighbors:

<=pan>

<=pan>Thank you for allowing me the opportunity to serve as your Mayor.

<=pan>

<=pan>Yesterday, City Manager Jimmy Morales and I travelled to Tallahassee to meet with Governor Rick Scott, the Secretary of Transportation, and the Secretary of the Department of Environmental Protection to discuss the lower=Alton Road construction project and to explore ways to expedite constructi=n and completion of the project.

<=pan>

<=pan>I am proud to announce that as a result of our visit, the State has ch=nged its project target completion date to December 31, 2014-a full 7 months ahead=of schedule.

<=pan>

<=pan>In addition to alleviating traffic congestion, this project has a =flooding mitigation component that includes the installation of three new =ump stations that will help alleviate the street flooding. =Along with the new pump stations, the City will be strategically installing=nbsp;an additional 30 and 40 pump stations throughout Miami Beach to reduc= the flooding.

<=pan>I would like to personally thank City Manager Jimmy Morales and his st=ff, Governor Rick Scott, State Representative David Richardson, FDOT Secre=ary Ananth Prasad, and District Secretary Gus Pego for working so diligent=y to expedite construction.

<=pan>

<=pan>The Office of the Mayor & Commission continues its work to move Miami =each forward and with continued teamwork with the State to make Miami Beac= the best place to live in America.
