**Subject:** A Hint

We have reservations on a 6:00pm flight. People are scurrying about trying to get things done in the next several hours. The governor also needs me to address something. It is now about 4:00 pm in London. If we do not hear from them by 1:00 pm today we will assume that they will not expect to see us until Friday (as one generally arrives the day following the date on which one travels so if we hear nothing until tomorrow we won't arrive until Friday).
