Jeffrey

many thanks for the 25, check s=fely arrived and deposited in my Foundation

talke= to Vienna yesterday, they are still 'trying' to commit to a TEDx =hey invited me to 6 weeks ago; i think frankly they are fearful =br> but i do not care; a group of academics in Barcelona wants t= throw a 'Trivers Festival' this fall and if they do i will surely=give one lecture on Honour killings

murders going=through the roof here

trust all is good with you<=div>
