As [REDACTED] understood you would just like to replace the carpet in the small TV room that Woody used for showering. She says you said to replace with 'the same carpet'

1. By same carpet do you mean the older silk carpet that is currently in guest rooms OR new thick pile wool carpet that is in the corridors and your bedroom.
2. Are we correct in thinking you only want little TV room. Or other bedrooms? [REDACTED] says they are all pretty dirty.

Thank you
