Greetings Rich,

We obtained two quotes for the new concrete mixers JE requested.

The basic parameters are Toro brand, one small and one larger, Honda engine, chain drive.

Gordy's Equipment (Pompano Beach, FL): \$8,818.00, free delivery to Tropical FL

The 25cm

The 65cm

Discount Equipment (West Palm Beach, FL): \$9,558.00, manufacturer will not ship directly to Tropical FL, so there is \$570 worth of shipping costs

I want to go with Gordy's Equipment. I will ask if they can discount further, but even if they cannot, they have included forged type tow poles and the delivery in the price, which we would have to pay or separately at Discount Equipment.

Please advise if okay to proceed, DW
