Guest Apartment

[REDACTED] is currently staying here and is in the process of changing the bed. She went to LA for a few days.)

FF&E - Decorated by [REDACTED] in 2012

Floors, Paint, Window Treatment - Done in 2012

Bathroom & Kitchen - These were redone by [REDACTED] at some stage and I think they are still fine. Bathroom has a nice shower and kitchen is clean and functional with ceasarstone counter tops. If we really wanted to modernize the kitchen we could always replace the cupboard fronts but I don't think it is urgent.

The last 2 images are question marks. I think the door knobs could be replaced for something nicer. And the last image is the closet at the front door. Doors could possibly be replaced for something newer.
