I send you the new version. in green is all i added but it talks about futu=e while the Harvard website advice is to talk about past and your achievem=nts...but maybe if we turn it more into i vizualize, i see myself =3D i get it BECAUSE as i saw myself in the past i am=like it now and iyou see my vizualizationt works it should be=ok hopefully

However, all what is in yellow, Models UN which shows that i am a leade= who spent so much time on organizing them in Russia and preparing and deb=ting on Models around the world will be missing out because we are already=missing space.. the 1st paragraphe should be definately more concise..
