Good Morning Larry,
I have a couple of choices for you.
We just got in and set up this new LASER projector from Epson. It's a very good piece LS-10000.00
You can get but one of these for 7000.00
Jeff told me he would also sell the Sony 600Es we have on the ceiling for 9500.00 (list is 15000.00)
You can see both of those if you like,
Thanks,<=span>
Elliot
