Jeffrey,

We wanted to take a moment to express our gratitude and let you know that last week you helped drive out childhood hunger in a meaningful way.

We began our first national giving campaign

In just four days the Uber Community raised more than 5 million meals - a No Kid Hungry record!

Here's how: 300,000 meals were raised through UberLUNCH & UberCHEF, Uber made a direct donation of 1.5 million meals, and Uber riders donated an incredible 3.25 million meals through the Donate Option in the Uber app.

It has been an amazing week. We are inspired by your incredible generosity this holiday season, and we appreciate you joining us in supporting this worthy cause. Together we are five million meals

From the Uber family to yours - thank you and happy holidays!
