Anna,

Why are you sending these to me now?

This was there before my arrival in July. Danny V was asked twice to clean this up and you were copied on these emails. I was told not to worry by Danny V... he had it under control! I also emailed this to you the day before Storm Danny.

Anna,

As I discussed with you before, Danny isn't supporting you as an assistant manager. In fact my professional opinion is he is upset that he didn't get put in charge of LSJ. Danny is a bigot, racist, has alcohol problems and doesn't tell the truth. For someone to use the N word in referring to LSJ staff isn't politically nor morally correct. Sorry you are stuck with him!

Please remove me from your contacts.<=div>

Thank you!
Leighton
