Jeffrey,

I would like to go home on December 24<sup>th</sup> to spend Christmas and New Years at home and will like to use a couple of vacation days and will work out of the NY office the other days and will come back on January 2nd and bring my son back with me for a few days and he will go back home on the 5<sup>th</sup> and I will stay in St. Thomas.

My daughter has basketball and she doesn't want to miss any of her games but she would like to come in the summer if I could bring her.

Thank you
