Subject: Thanks

Jeff,

Thanks for the call the other day. I appreciate you taking the time to check up on me.

I still have [REDACTED] I am dealing with. Physically it is taking me longer then I thought to get back to normal. [REDACTED]
[REDACTED] -- or I should say is still
[REDACTED] but coming along pretty good.

How have you been? Able to get any of your life back?

Bill Riley
[REDACTED]
