Jeffrey,
Is this acceptable to you?
Trade 750 to sikorsky for a D slot, we follow regular contract payment schedule.
Thx
Larry

From George:
If I understand your email, JE will trade 750 to Sikorsky for a D slot based on a ship and 12,120,000. At your option you will then modify as presented by Sikorsky.

You further would leave the standard Sikorsky deposit in place from the proceeds of sale of 750. DO I understand this correctly ?

George,
I spoke with Jeffrey,
I think our plan would be to sell 750 for 12.5m if the Argentines are interested, take over where we left off with the S76D model contract to replace 750. Payment schedule would be standard Sikorsky contract as previously done in 750.
Is this acceptable?
Larry
