Larry would like to confirm the following:

You will be picked up from the West Side Helipad on Saturday and on Sunday at 10am to fly to South Hampton.

Both Saturday and Sunday your return flights are scheduled for 6pm from South Hampton back to West Side Helipad (NOTE\*\* the helicopter can only stay on the ground for 5 minutes...you absolutely must be punctual...they cannot wait around. Larry said if you think you will need to change the time to give him a call that day. Larry: [REDACTED]

FYI- the East Side Helipad is closed on the weekends, that is why you must go in and out of the West Side Helipad

May I have the passenger list to give to Larry for both Saturday and Sunday?
