I am writing on behalf of Annie Pressman. Annie says:

Dear Wallstreeters:

I just came down to the Newmarket Press offices to do some editing tonight and just wanted to say that we are able to take extra book orders up until tomorrow, Friday August 20th, 2010 until 12:00pm EST.

Thank you to those of you who have placed orders already! To those who have not, please get your orders in asap...money never sleeps!!!

We have a rockin' incredibly fantastic book! And boy o' boy, if ya buy a bunch, you don't ever have to go Hanukah or Christmas shopping – built in fabulous gift!!

-Annie

Please forgive this form letter, but in the interests of time, I am reaching out to many of the people who have been involved in the Wall Street films and have helped to make this book possible. Thank you all for your assistance, especially on such a crash schedule. FYI, Annie has arranged for a complimentary copy of WALL STREET: THE COLLECTORS

EDITION about the upcoming Wall Street: Money Never Sleeps and its predecessor Wall Street to be sent to your attention once the book becomes available, ETA: October, 2010.

As producer of this limited edition, hardcover book which will not be available for retail purchase, I wanted to provide you with the opportunity to buy additional copies from the initial printing. Though this 272-page full color book would normally retail for \$60, thanks to support provided by the Zurich Film Festival and Twentieth Century Fox, you can purchase copies at the special price of \$25 plus shipping. Please refer to the fact sheet which I have attached and pasted below, along with the attached credit card order form. Please return this form via email to [REDACTED] or call the office to make an order over the phone.

We would appreciate receiving orders by Thursday, August 19, 2010.

We apologize that this is such a short deadline. Please feel free to call me with any questions. Thanks very much.

WALL STREET: THE COLLECTORS EDITION  
Wall Street: Money Never Sleeps (2010) and Wall Street (1987)  
Introduction and Commentaries by Oliver Stone and others.  
Foreword by Edward R. Pressman.

Edited by Linda Sunshine and Annie Pressman  
Designed by Iain Morris

Specs:

272 pages, approx. 250 illus. 9 1/8" x 10 7/8". Four-Color. Hardcover, with jacket. Collector's Edition. Bound Book  
Date: end of September 2010

Description: In this stunning, hardcover Collector's Edition, more than 250 full-color movie stills, drawings, behind-the-scene and special effects photos illustrate the two screenplays, along with commentaries and sidebars about the creation of the films, their production, the filmmakers, the cast, and various financial advisors commenting on the cultural and economic landscape of the extraordinary times the films portray. Though released more than 20 years apart from each other, the films represent the vision of the same studio, Twentieth Century Fox, the same director, Oliver Stone, the same producer, Edward R. Pressman, and the same Oscar-winning star, Michael Douglas. Two-thirds of the book illustrates the 2010 screenplay which was written by Allan Loeb and Stephen Schiff; one-third provides commentary on the 1987 film and includes the screenplay written by Stanley Weiser & Oliver Stone. Complete cast and crew credits are also included.

Price Quote: \$25 per copy, plus shipping
