Sorry, I didnt realize its already 2am where you are !
Of course it involves the past. I feel very betrayed and taken advantage of and I don't feel like simply forgetting 7 years of empty promises that today leave me with nothing. I would appreciate you answering my questions and not ignoring my emails.

Im not sure why you sent me the email and then did not respond to either phone or mail. Do you need anything? I would appreciate it if you want to communicate with me, just do so. unless of course it involves the past. I am going to sleep.. I got an email this morning when i landed , that you had made it safely to new york,, that is all besides this last cryptic one. I am going to sleep.. I am available before 8 or after 12.
