Title: Yo yo I have spent last night looking at all the blogs that are linking my name to yours, and I am schocked by the amount of lies and vicious allegation that a journalist can write obstructing the Truth. She is questioning my relationship with a friend.

1/ [REDACTED] The only girl underage that went on your plane with me is [REDACTED]

She was under ma responsability I was considered by her parents as her guarrant and this is why I have asked you this favor, knowing that I couldn't leave her in NY alone at her age. She was not speaking any English. if I have asked you this favor, it was only motivated for [REDACTED] safety. I remind you that she has stay all along between my apartment where she had complete privacy and a cook to prepare her meals and [REDACTED] place. Where ever, she went, she has never seen or felt that any girls was abused. I am sure that she will be willing to testified ,the writter has been tryng to contact her.

2/ it is not to go away soon

3/ I am getting infos how to defend it by creating blogs
I will call you tomorrow I have tried last night
