Hello!just landed..best flight and sleep I ve ever had! Henry is super nice..thank u very much again!  
Also I have another big problem which I was expecting to come..and u probably too...Ben is very suspicious about the relationship I have w u..I told him that we r like a father and a daughter :) and that u were never hitting on me whatsoever..but I guess that's not enough..he def doesn't like the fact that I'm going to ur house and hanging out there for hours..which I understand and I wouldn't like it if he did the same thing..so how should I handle this situation please?
