Subject: Aspen Landscaping

I reviewed Aspen Landscaping bill at Zorro property. The current charge for the Main house and Larry's house is \$4224 per month during April – November months and \$3189 December – March. Annual fee \$46,548. I spoke to Tracy at Aspen Landscaping. She confirmed that they charge \$25 per person in 1 hour and wasn't able to negotiate the rate. As per conversation with [REDACTED] we agreed to change the service to every other week. I informed Aspen about the upcoming change starting January 1, 2011. We will cut the fees 50% or \$23,274. Aspen will provide additional service if we need for a charge \$28 per person per hour. In addition I believe that \$25 - \$28 is a very high rate and suggest we get a quote from another vendor immediately.

Thank you,

Bella
